- a. **A165, Main Street Junction** – East Riding of Yorkshire Council (ERYC) looked into the possibility of a roundabout being fitted at this junction, as a roundabout would require a great amount of space which is difficult to fit in an already built-up area it is now looking at signalling the crossroads, to include a pedestrian phase. The work estimated at a cost of £150, 000 has been added to a list of future schemes which require external funding. A letter will be written to MP Sir Greg Knight asking for the scheme to be given priority.

- c. **Humberside Police Drop-In Session** – Humberside Police are currently working on dates for drop-in sessions to start after Easter and will inform the Parish Council of the dates.
