- a. The Chair started the meeting informing Council of the sad passing of Cllr Paul Liseter who died suddenly on the 11th June. Cllr Evison said that he was a dedicated member of the team and will be sadly missed.

Following on from discussions in the last PC meeting in relation to Beeford Crossroads and the rising number of accidents, the Chair has sent a letter to Paul Bellotti reiterating the problems and asking that this be revisited with a view to a mini roundabout being placed at the junction. We are awaiting a response. Cllr Evison added that on speaking with Paul Bellotti he does have an understanding of what Beeford is having to put up with at the junction and she will seek further advice on this.
- d. Do it for East Riding is a small grant fund open to all communities within East Riding to enable Town and Parish Councils, Voluntary and Community Sector Organisations to organise and create community activity within their own areas. The Parish Council have discussed the possibility of updating the entrance planters in the village and the planting of bulbs in various places in the village and encouraging the community of Beeford to take part in this project which seems to have taken the name Beeford in Bloom. Cllr Adamson has volunteered to oversee this new project with the help of Cllr Sawyer, the Clerk will apply for the funding once all costs have been discussed and agreed by the Parish Council.
